BAR OF TEXAS

From: Office of the Chief Disciplinary Counsel
 State Bar of Texas

Re: Texas Attorney Grievance System

The State Bar of Texas is committed to protecting the public from attorneys who violate the rules governing professional conduct. Only by submitting your allegations in writing can we begin the process to review an attorney's actions. Enclosed is a grievance form and a brochure that explains the Texas attorney grievance system.

If you decide to file a grievance, the first step in the process is a review and determination of whether the grievance, on its face, alleges professional misconduct. This determination is referred to as classification of the grievance and is made within 30 days of the filing of the grievance. You will receive written notification of the classification decision once it is made. **Please allow 30 days prior to calling the State Bar for a status on your grievance**, as there will be no action taken prior to this classification process. If you want to know if the State Bar has received your complaint, we suggest that you send it by certified mail. If you have questions regarding the classification decision *after* you have received notification, please refer to the file number that has been assigned to your grievance. The file number will begin with an "A", "D", "H", or "S", followed by a series of numbers.

You might find it helpful to speak with the State Bar's Client Attorney Assistance Program staff in determining whether to report the conduct of a lawyer. The Client Attorney Assistance Program is a statewide dispute resolution program which assists clients and attorneys in resolving minor problems. The Bar's Grievance Information Helpline (1-800-932-1900) is answered by staff of this Program.

I hope that this information is helpful to you.

OFFICE OF THE CHIEF DISCIPLINARY COUNSEL
STATE BAR OF TEXAS
GRIEVANCE FORM

I. GENERAL INFORMATION

Before you fill out this paperwork, there may be a faster way to resolve the issue you are currently having with an attorney.

If you are considering filing a grievance against a Texas attorney for any of the following reasons:

- ~ You believe your attorney is neglecting your case.
- ~ Your attorney does not return phone calls or keep you informed about the status of your case.
- ~ You have fired your attorney but are having problems getting your file back from the attorney.

You may want to consider contacting the Client-Attorney Assistance Program (CAAP) at 1-800-932-1900.

CAAP was established by the State Bar of Texas to help people resolve these kinds of issues with attorneys quickly, without the filing of a formal grievance.

CAAP can resolve many problems without a grievance being filed by providing information, by suggesting various self-help options for dealing with the situation, or by contacting the attorney either by telephone or letter.

In March April I contacted a Jim (now Jenny)
Crimmons at File it now Taxes, Ayers St
C.C. TX. I mentioned to Jenny (Ji) Crimmons
That I had a defaulted Student loan and any
refund would be sent to The Treasury Department.
This Jenny had contacted someone in the
racketeering enterprise as Jenny began putting
all sorts of insane information on the Tax
return such as 1. Type of work, 2. Miles
Driven, 3. Various expenses for equipment
lost out and more. I looked over this
return closer after I left her/his office
and they did nothing but harass me, coerce
me (Threaten) and stated all my originals
were theirs to keep? The insane Fed Tax
return stated I would be receiving almost
600⁰⁰ back? They also wanted me to
write a check for 250⁰⁰ when any payment

V. HOW DID YOU LEARN ABOUT THE STATE BAR OF TEXAS' ATTORNEY GRIEVANCE PROCESS?

- ☐ Yellow Pages
☐ Internet

was to come out of the refund? This shows you that Jenny Crimmons was in contact with someone concerning my situation with the U.S. Government. Furthermore, Jenny Crimmons was slandering me as "crazy" etc in their pathetic office when the racketeering Tax return was completed and Jenny Crimmons had its 250⁰⁰ check? This Jenny Crimmons also was saying insane, stupid things for the pile of City Attorney such as "You can't fight City Hall etc," over and over?

I took Jenny's insane falsification of my Tax Return to the IRS. I was told it "would cause an audit and possibly shut down my small business I worked so hard to create with very little funds. How many people are succeeding in a small business these days in this economy? Not many, and I have worked very hard to make this business succeed, and a pile of like Jenny Crimmons wasn't going to maliciously destroy it..!

I visited the IRS at least 3 times in April. I visited numerous accountants who stated I was right and even some told me I better stop payment on this pathetic piece of trash Jenny (Jim) Crimmons (Crimmons!).

One woman at an Accountant office on Staples even stated "I would kill him for this" (Much to my surprise)

All of this prompted me to stop payment of my 250⁰⁰ check to this insane criminal named Jenny (Jim) Crimminas (Criminal). After I stopped payment, I went to Jackson Hewitt Tax Services and they thought Jenny's Tax mess was a pathetic pile of trash. The Tax return was completely redone and I ended up owing The IRS \$34.00?

I then mailed the new Tax return to the IRS on the 14th of April so Jenny's Tax Return would not set precedent as it was done by computer filing. I was relieved! Then, while listening to the radio I heard a advertisement for mortgages and since I was looking at a small house, I called this company in Michigan. They done a credit check and they said "All that is holding this up is a Tax lien of 1100.00 in Florida?" I called Florida and they claimed there was no Tax lien and claimed they had no record of me or my small business I had there in the 1990's >> (running like cockroaches)
(This Tax lien was a possible warrant)

(4)

I called Sarasota County the very
some day I received the Trans Union
credit report that now deleted the fake
(FBI/SIO) Tax lien from Florida. The
Sarasota County court person told me
they was no such Tax lien "docket" number
in Florida at all, not even close in format.
I had decided that Jenny Crimmons
et al had tried to viciously discredit
me as a Tax dodger as well, even in
Florida. I decided that the reason
Jenny Crimmons did not put all
my equipment on the Tax return
was they were going to have me
maliciously arrested (federally) and
sent back over to Florida. In the
meantime I would have all my
equipment stolen, lost my business
and then later released as a "Mistake".

I had decided since I caught the
insane FBI (SIO) creating more racket-
eering, kidnapping activity, that this would
be their last attempts on me and many
other people thought so as well but as
you will see I am incorrect. It has
been over 5 months at this point and I
thought all was okay, although I was
running into various ~~set~~ ups with the CCPD.
On June 30, 2011 I received a No Inspec-
tion sticker ticket in Corpus Christi,
but was not arrested for the fake and

Malicious "Threat of Service" dated
June 24th, 2011?

On Friday Sept 16, 2011 I was on
a late night Service call to Fort Worth
Texas. As I was traveling through
Kingsville I was stopped by the
Police on the Hwy 77 going South.
The cop checked my license and ins-
urance and then faked that there was
a warrant on me for "Assaulting a
police officer"? They took me
to the Kingsville Jail, impounded
my vehicle and would not let
a Friend Bond me out for 3 days?

They said the insane "Assault"
had disappeared and now the fake
charge was "Threat of Service"?
Have you know the "Assault" is also
also a violent (Terroristic act) and
I will show how the racketeering
lunatics are desperately trying to
justify probable cause with both
fake arrest/charges and also racket-
eering out of the "Domestic Terrorism"
Federal Statute 18 USC 3071.

I finally banded out, got my vehicle
and went home. At this point this
fake malicious charge now cost
me about 1700.00? The court still
kept telling me to "Have a good lawyer"

6

I have found out through experience that when cops say/coerce this, they have done some serious wrongs and are now trying to get a lawyer to cover their own criminal activity. I have fired 11 racketeering, bribe taking, lying, pathetic lawyers and none will be hired! The Kingsville Jail also gave me a document dated Sept 18, 2011 that gives a court date of 9:00 am Arraignment in a Court room 4 on Sept 19, 2011?

I created a quick Motion for a Jury Trial and submitted this to the court clerk who would only say "You got a lawyer"? Now why would I buy a pathetic, bribe taking lawyer after losing \$700.00 on a \$250.00 stop payment?? Not only this I will never hire a lawyer again. I proceeded to this Courtroom and Moore was there, doors locked? I went to the Judge's secretary and this idiot gave me this fake, malicious, insane, racketeering charging document and also insanely threatened me to "Watch what I say" while the moody person was listening to RAP music?

I was at this point that I noticed all the racketeering activity on the fake, malicious charging document and I started to contact your

Offices last week. I spoke to an
Eria first and a few times there-
after. I also spoke with a male
for about 1 hour on Friday the
30th of September. Both stated
I was correct in 1. Not hiring a
lawyer, 2. Trying to get Bor number
and names 3. That a jury might be
paid off in this insane case.

Now, please look at the insane
malicious, racketeering charging
document dated June 24th, 2011.

1. You will see it is a complaint
and signed by a R. Mathews?

(a) who is R. Mathews?

(b) Is Mathews the insane, schwa
racketeering lawyer for Jenny
Crimmons or are they the District
Attorney?

(c) Look at the "Assistant District
Attorney" and you will see there
is no legible name or Bor number
on either individuals?

(d) I have called the District Attorney's
number at 888-0410 and they will
not give out the names or Bor
numbers for anyone on this racket-
eering, insane, malicious charging
document??
