FAKE* **FL** **↓** **of violations*** **TSR REV****12m BOP****all 3 Rivers Texts****NO BR.**COURT HISTORY:

2/11/05
P

On January 17, 2002, Kevin Weiderhold appeared before the Court for Making a Threatening Telephone Call and for Making Harassing Telephone Calls. Mr. Weiderhold was sentenced to Thirty-Seven (37) months imprisonment followed by Three (3) years supervised release. The defendant shall comply with the following additional conditions of supervised release:

The defendant shall participate as directed in a program of mental health treatment approved by the probation officer;

racketeering enterprise
"third party co-pay"!

The defendant is not to make any contact telephonically, or otherwise, with any victim in this case. The defendant will have no contact with any governmental office of the United States or the State of Florida, without the express advance approval of his probation office;

The defendant will notify his probation officer in advance of any lawsuits he may become engaged in as a party;

The defendant shall be prohibited from incurring new credit charges, opening additional lines of credit, acquisitions, or obligating himself for any major purchases without approval of the probation officer;

The defendant shall provide the probation officer access to any requested financial information.

On November 12, 2003, Mr. Weiderhold's term of supervised release was revoked and he was committed to the custody of the Bureau of Prisons for a term of Nine (9) months followed by Two (2) years supervised release. All previous conditions imposed in the final judgment shall apply. Also, an additional condition was imposed that within 45 days of his release from imprisonment, at the directive of the probation office, the defendant shall submit to a mental health evaluation by a licensed professional who can prescribe medication. The defendant shall take any medication prescribed.

ALLEGED VIOLATIONS OF SUPERVISION:

1. Failure to submit written monthly report: The defendant failed to submit his written monthly report for the month of August 2004. This report was due on September 5, 2004. On August 6, 2004, Mr. Weiderhold refused to take receipt of blank monthly supervision reports from this

They never gave me any! In fact They told me not to come into the office! They would visit me! They continually changed things around to try and make me look confused. Hell is waiting for these racketeering lying imbeciles anyway!

officer. This is in violation of Condition 2 of the Standard Conditions of Supervision, as set forth in the Judgment.

2. Failure to notify ten days prior to any change in residence: On September 9, 2004, the defendant failed to notify his probation officer at least 10 days prior to his change of residence from The Salvation Army, Red Shield Lodge, 1514 N. Florida Avenue, Tampa, Florida to an unknown address, on September 19, 2004. His current location is unknown. On September 22, 2004, contact was made with case manager Laverne Blaylock-Clark at the Red Shield Lodge in order to ascertain if Mr. Weiderhold still resided there. Ms. Blaylock-Clark advised that Mr. Weiderhold has not resided at that facility since September 19, 2004. She advised that Mr. Weiderhold would not sign a Release of Information form which would allow them to release information to this officer. This is a violation of Condition 6 of the Standard Conditions of Supervision, as set forth in the Judgment.

Well, we will see about this here →

None was even offered and it was of course I wouldn't sign it!

3. Failure to participate in Mental Health Counseling : On August 19, 2004, the defendant refused to submit to a mental health evaluation and to follow therapy guidelines, and he has refused to take any medication that would be prescribed to him. On August 19, 2004, Mr. Weiderhold met with mental health counselor Victoria Kijanski for the purpose of a mental health evaluation. According to her Appointment Summary, Mr. Weiderhold only completed the demographic information of his paperwork. He refused to sign anything else. Furthermore, he denied having a mental illness and believes that "the judge is a lunatic." Ms. Kijanski concluded that Mr. Weiderhold has no ability for reason or to participate in treatment. His denial of his mental illness and refusal to follow guidelines and take medication are apparent. Enclosed is a copy of this report for Your Honor's review. Failure to participate in counseling sessions and refusing to take prescribed medication are violations of the Special Conditions requiring participation in Mental Health Counseling, as set forth in the Judgment and Revocation Orders.

SUPERVISION HISTORY:

Mr. Weiderhold was released to supervision on August 4, 2004. He did not have a permanent residence. Consequently, he secured temporary residence at the Salvation Army boarding house on Florida Avenue in Tampa, Florida. He remained at that facility until September 19, 2004, at which time he did not return. He has failed to notify the probation office of his change in residence, and his current whereabouts are unknown. Furthermore, he refused to sign Release of Information forms at the boarding house which prevented staff members from releasing documents and possibly other pertinent information regarding Mr. Weiderhold to the probation office. I don't think this Salvation Army Shelter wants to get involved in this, I will check into this here

He had been working day labor jobs, but has failed to submit a monthly report with paycheck stubs, so that his employment could be verified. As soon as I got the job at Sunshine Thrift

They quickly conspired to destroy me. The date on top is a fake date!
 During an initial meeting with Mr. Weiderhold, Supervising United States Probation Officer Steven W. Beasley and myself attempted to instruct Mr. Weiderhold on the conditions of his release as well as review other documents. Mr. Weiderhold repeatedly stated that he would not be signing any documents and would not be adhering to the special condition requiring mental health counseling and taking prescription medication. Also, Mr. Weiderhold advised that he is continuing with his law suits against all parties involved in the criminal prosecution, sentencing and execution of his sentence. Furthermore, he refused to take receipt of any documents directly from the probation office. In a subsequent meeting, he again refused to sign any of the probation supervision documents and refused to participate in a mental health treatment program, to include taking prescribed medication.

Yes and now these pathetic lunatics will be sued too!

(in court)

The lunatic tried to make a joke out of me trying to get him to send his racketeering material over the mail. I see he doesn't make fun out of my mail fraud allegations now. In fact, these racketeering documents were sent over commerce either by fax or mail 1/7/05

*She is NOT a psychiatrist or a
 psychologist, just a Social Worker !!
 Just Pathetic!*

Mr. Weiderhold did meet with a mental health counselor, but refused to engage in meaningful therapy. He only provided demographic information. According to the counselor, Mr. Weiderhold talked about a conspiracy against him. He exhibited very poor insight and judgment. He was very paranoid and has grandiose delusions that are persecutory in nature. He denied having a mental illness. She concluded that he is a poor candidate for therapy.

*Oh, so Ms. unlicensed, racketeering

SENTENCING OPTIONS:

Should the court find the offender has violated the terms of supervision, the following sentencing options would apply.

*They have no business even quoting The Law IT doesn't apply
 Skip over this. ☹*

Statutory Provisions: Upon finding of violation of supervised release, the Court may continue the offender on supervised release with, or without, modifying or enlarging the conditions. The Court may also extend the term of supervised release, if less than the maximum term authorized was already imposed. Or, the Court may revoke supervised release and impose a term of incarceration up to two years. 18 U.S.C. §3583(e). If incarceration is imposed, the Court may order a new term of supervised release to follow. The new term of supervised release, together with the term of incarceration imposed upon revocation, cannot exceed the maximum term of supervised release authorized for the original offense of conviction. 18 U.S.C. §3583(h).

Guideline Provisions: The U.S. Sentencing Commission has issued policy statements for revocation of supervised release. These policy statements are advisory and non-binding on the Court. U.S. v. Thompson, 976 F.2d 1380 (11th Cir. 1992). The defendant is charged with a grade "C" violation as defined by USSG § 7B1.1(a)(3). Upon a finding of a grade "C" violation, the Court may revoke supervised release and impose custody or extend or modify the existing term of supervised release per USSG § 7B1.3(a)(2). Since a criminal history category of I was found applicable at the original sentencing, the custody term for the violation is 3-9 months per USSG § 7B1.4(a).

*LOOK they even say The Max
 is 9 months and I didn't deserve
 any of this at all.*

Pursuant to USSG § 7B1.3(c)(1), the minimum term of custody may be satisfied by a custody term (as little as one day) followed by supervised release with a special condition of community confinement or home detention for the balance of the minimum term. Because 18 U.S.C. §3583(d) authorizes the use of the discretionary conditions set forth in 18 U.S.C. §3563(b)(1) through (b)(10) and (b)(12) through (b)(20), and any other condition considered to be appropriate, it appears that intermittent confinement is authorized, but community confinement is not authorized. This resulted from changes to §3563(b) with the enactment of the Mandatory Victims Restitution Act of 1996. However, there is some question as to whether this was the intent of Congress. The issue has not been addressed in the 11th Circuit, and other Circuits are split on the issue.

*Don't let the racketeers hold behind
 Congress. IT really look Terrible*

Before imposing sentence, the Court shall state for the record that it has considered the factors set forth in 18 U.S.C. §3553(a), including applicable guidelines and policy statements issued by the Sentencing Commission.

SUBJECT: (Briefly state your question or concern and the solution you are requesting. Continue on back, if necessary. Your failure to be specific may result in no action being taken. If necessary, you will be interviewed in order to successfully respond to your request.)

On July 1st, 2003 I left this facility with approximately \$13.00 in Commissary money which was for work up to May 15, 2003. I did not receive nor was \$18.00-\$22.00 applied to my Commissary account on July 2, 2003 because I had exited the prison on July 1, 2003. This payment amount was for work performed between May 15, 2003 through June 15, 2003 at the paint shop under Officer Champaign. I did receive a gratuity allowance of approximately \$100.00-\$125.00 but this may have been considered the normal gratuity allowance upon release therefore I might still be due the \$18.00-\$22.00 ? If the normal gratuity allowance is less than \$125.00 then it would appear the \$18.00-\$22.00 was included in the gratuity allowance therefore not due me ? If this payment is due me, I do need it as soon as possible as I have no funds in my commissary account.

Thanks For Your Time,

DISPOSITION: *You need to speak with your work detail Supervisor. Please come by my office to discuss this matter.*

You don't see it in writing but Daniels (Minority) actually slandered me as "senseless" for making this cop out. He/They (Mr. Green et al) were infuriated because I was putting in all the Union cop outs and by 5/26/05 he had heard about my May 19, 05 letter to the BOP/Warden.

I dated this cop out when I received it

He then tried to put me to work with Ms. Bell (Mr. Bell's wife) who was going to defame me on work reports. Instead I got the job with Mr. Feather.

DISPOSITION:

I confronted Helaire and Daniels in the QB Unit on 5/20/05 and tried to give them this cop out. Daniels would not take this cop out and ridiculed and harassed me for trying to get a job at Unicor. I practically had to force Helaire to take this cop out as Daniels would not. Helaire never did answer or sign this cop out. Almost a month later I gave this same cop out to "Officer" Weeks. This defamer would only say "I am not giving you a job at Unicor." He would not sign the cop out but delivered the response from Mr. Howell at Unicor (Ex-M) on June 20, 2005. that all FOIA requests go through the "Legal Department". Under the Freedom Of Information Act (FOIA) Title 5 USC 552(a), I am AGAIN requesting a copy of the complete "Agency Records" (BOP Central File) including any "Matching Program Records" under 5 USC(8)(A)(i)

and any "Medical Records". Furthermore, under 5 USC 552(d)(1) it states: "Upon request by any individual to gain access to his record or any information pertaining to him which is contained in the system, permit him....a copy of all or any portion thereof....etc. Your office has had enough time since 2001/2002 to falsify and re-falsify documents and it is time you hand this pathetic, defaming, racketeering enterprise material over to me.

To court

Sincerely,

DISPOSITION:

Initially I gave The Warden a cop out for records on 5/23/05. I Talked to him again on 6/3/05, I Then Typed up This cop out and gave it to him personally. I received a response (uncopied original) from a "S.K. Long LIE/Legal" attorney? I looked up the BOP Policy statement she quotes in her response and This is where I sound out UNIONS can access certain inmate files (1351.05). I did send 8 FOIA requests to Washington D.C. on June 11, 2005 and never got a response. (See Ex L), which is a very interesting letter to The Referral Center is Washington D.C. about Harry Rypkin

Attached checklist and Self-addressed stamped envelope.

Enclosed you will find several FOIA requests to various government agencies. I have informed each agency that your office would photo copy the 11 page letter addressed to Mr. Lappin the Director of the BOP in Washinton, D.C.. I do not have the funds to be able to copy this letter six times nor do I have the stamps to mail such a large package to your office. After you read the 11 page letter you will see how important it is to that each agency receives a copy of this letter.

The Beaumont Court is first
It is imperative that I get as many records as I can as I will be filing in the Supreme Court to Justice Kennedy to expose the racketeering enterprise and to be released from this malicious imprisonment. I have filed in the Supreme Court in April of 2003 but the petition was maliciously denied by a clerk and not the justices ? I know for a fact that Mr. Green et al out here at Beaumont, TX and elsewhere were scared senseless that I was going to get the illegal conviction overturned but a deal was made among some corrupt people to illegally deny my petition at the Supreme Court for the racketeering enterprise. Many corrupt, racketeering people would have been out of a job if the 02-10290 35 page petition would have been allowed to proceed to the Supreme Court Justices including the State Of Florida Judges Harry Rapkin et al.

These are the media letters I refer to in my brief.
If you recall it was Harry Rapkin who was exposed on national TV by FOX News and The Oreily Factor in early 2004. I have written both FOX News 13 in Tampa, FL and Carolyn Tuft in St. Liouis, MO an excellent 12 page letter explaining how Judge Harry Rapkin et al was/is directly involved in this racketeering enterprise activity. Then how the family who lost there daughter because of Harry Rapkin et al letting a violent offender out of state prison could sue this racketeering enterprise once people are criminally charged for racketeering in various government offices/agencies such as the ones listed in the 11 page letter to Mr. Lappin the Director of the BOP.

see how corruption accumulates
While at this corrupt prison in 2002/2003 I had a letter stolen, addressed to Paul I. Perez the U.S. Attorney in Tampa, FL which outlined Harry Rapkin et al involvement in the racketeering enterprise. An individual on the outside still has a copy of this letter. I don't believe the letter I placed in this legal mail box to Paul I. Perez ever made it out of this facility, in fact the only way this letter might make it to your office is because Constance Reese et al is not the Warden here. My point is concerning Harry Rapkin et al is that the murder of the 11 year old girl may never have happened if Rapkin et al had been dismissed from the bench for racketeering long before thus the homicide might not have occurred as this felon would have gone before a differant judge and not Harry Rapkin et al. I clearly listed "state judges" in my well done petitions to both the Appellate Court and Supreme Court in 2003. Yes, now the government will have to admit that 18 USC 3059 was repealed because of me in order for this family to be compensated who lost their child because of Harry Rapkin et al. This family will be able to sue all entities (mainly influencial corporate entities) who are desperately clinging to the lunatic federal judges James D. Whittemore et al who in turn are destroying me for the racketeering enterprise. Will the government ever admit what corrupt employees have done and prosecute them ?

If I sign any documents this family will not be able to sue and I will lose the whole case, I need injunctious court!

Sincerely,

SEP 98

U.S. DEPARTMENT OF JUSTICE

FEDERAL BUREAU OF PRISONS

TO: (Name and Title of Staff Member) Mr. Howell/Unicor	DATE: 5/25/05
FROM: Kevin A. Wiederhold	REGISTER NO.: 89849-079
WORK ASSIGNMENT: Not Available	UNIT: QB 326

SUBJECT: (Briefly state your question or concern and the solution you are requesting. Continue on back, if necessary. Your failure to be specific may result in no action being taken. If necessary, you will be interviewed in order to successfully respond to your request.)

I attended the A/O introduction meeting on 5/25/05, you were present and made a presentation for Unicor. During this presentation you outlined various avenues in which an inmate could obtain a position at Unicor. I was one of the inmates who raised a hand to ask a question. This question pertained to obtaining a position at Unicor as a "Pre-Release status inmate", which you said was unfamiliar to you? The following "Progress Statement 8120.02 (345.32(e)) and (342.10(1))" states:

"Hiring 345.32(e). Special needs such as Inmate Financial Responsibility assignment to assist in paying a significant financial obligation OR RELEASE PREPARATION, the unit team may recommend an inmate for priority placement on the waiting list (Unicor). Such placement must be documented and include the reason for the exception". Also, 345.10(1) states: "It is the policy of the BOP to provide work to all inmates (including inmates with a disability (left hip/leg) who, with or without reasonable accommodations can perform the essential tasks of the work assignment) confined in the federal institution". By Cop-out, I have requested the Warden and Unit Team help me (Do not write below this line) obtain a job at Unicor as a Pre-Release inmate with four or less months to go. Please contact the Warden and Unit Team for DISPOSITION: further information regarding this matter.

Sincerely,

Kevin A. Wiederhold

(Original not copied)

DISPOSITION: I received this response from the sick defender Mr. Howell of Unicor. Through Daniels, Helaine and Weeks, on June 20, 2005.

Wiederhold, I understand your intention. Per policy only the SOI/AW can authorize an exception to normal hiring practices.

As you see, BOP policy states no such thing about "normal" hiring practices. The term "Normal" in this response is definitely a mental defective, social security stunt by everyone here. Many people obtain a position at Unicor through this BOP policy statement, why couldn't I?? I can prove in your court with a racketeering investigator/prosecutor they were/are trying to put me on SS as "abnormal" they are mad as hell over here because they failed.

Look at the horrible defamation in this racketeering document "Current Violence" etc. The liars never called me into a "Team meeting" on 5/3/05 as well. I was in the Sho from April 21st until the 4th or 5th. The falsification of the records with "HS Diploma on 3/18/2002" is in here (See Loppin letter). My religious preference is Christian. I also says No medical restric because they want to make all past injuries into a psych condition. (See petition)
The are pathetic criminals!

Mr. Helaire was coercing me to sign this racketeering document. This is the "Team Meeting" where Daniels lost his mind and began saying all sorts of sick statements as mentioned in the later part of my petition. Something must be done Court. I need injunctions on these BOP "Individuals" here. They are very desperate and they are nailed. Only two more illegal and unconstitutional months but it may get very dangerous for me.

Mr. Daniels again began harassing, defaming and threatening innocent petitioner when petitioner went by to pick up the informa pauperis certificate on 9/11/05. Petitioner had tried to get Mr. Helaire to take care of the certificate since Friday the 6th but he kept delaying and harassing and defaming petitioner. A witness heard Mr. Daniels harassing, defaming and threatening petitioner as he attempted to get the certificate. An affidavit will be made concerning this.

To: Commissioner Jo Anne Barnhart
Social Security Administration
International Trade Commission
Building 500 E. Street, S.W.
Washington, D.C. 20254

Dear Mrs. Barnhart,

I am sending this letter in reference to numerous racketeering and fraudulent attempts to unlawfully place me on Social Security (Mental) benefits since 1990/91. These racketeering, fraudulent attempts started **in the Courts** in Tampa Bay, FL and Sarasota, FL in 1991/92. These racketeering and fraudulent attempts have been orchestrated through a racketeering enterprise and their lawyers and Judges since 1991. The first attempts on paper by lawyers came through Mr. Clark et al of Aetna Insurance in Tampa, FL in 1991, then Mr. McClain et al and Alexander Paderweski et al in 1992/93 (See: State of Florida, Workers Compensation Records Tallahassee, FL).

There were several attempts to force a racketeering enterprise attorney on me to **set up** the racketeering, fraudulent Social Security benefit starting with Elliotte Metcalfe/Jerry Meisner et al in Sarasota, FL in 1992. This racketeering, fraudulent activity of appointing **severely** corrupt lawyers to justify a civil attorney fraudulently applying for Social Security (mental) benefits has continued until this day (See: Racketeering enterprise Court Files in Sarasota County: 92-4293CA, 92-3130F, 94-6481MAVOP etc, and Tampa Bay, FL District File: 8:00-CR-369-T-27TGW). I have also clearly explained these racketeering and fraudulent Social Security (mental) benefit activities in the (hidden) Atlanta, GA Appellate Brief 03-11467 and Supreme Court Brief 02-10290 which were filed from April-June 2003.

Now, after I have completely solved this pathetic, racketeering enterprise "case" the desperate, pathetic, racketeering enterprise lunatics have **again** attempted to place me on unlawful Social Security (mental) benefits through **several** of their racketeering BOP "Individuals" and even a Unicorn employee. This malicious, defaming, racketeering, fraudulent Social Security attempt/agenda was meant to take place nearing the end of the last 3 months here but it was sped up because I tried to obtain a position at Unicorn starting on 5/20/05 which caused another "individual" to get involved in the defaming, racketeering activity by the name Mr. Howell who is an employee of Unicorn (See: Latest petition to the Beaumont and SSC (t)).

After **July 6th**, 2005 the defaming, racketeering and fraudulent activity culminated with Mr. Daniels a **sick** "counselor" here at Beaumont maliciously and fraudulently attempting to make me sign a Social Security form that had **none** of my personal and pertinent information on the document. Yes, this "counselor" Daniels made it clear he was going to fill in **all** the blank spaces that the person receiving the Card would normally fill out unless they were Mentally disabled and incompetent etc. Yes, this "counselor" Daniels made it clear that I was **only to sign** the blank Social Security document, therefore he was going to place "mental disability" in the Disability Box/Section of the Social Security document. These pathetic employees of the BOP in Rochester, Springfield and Beaumont Medium have and are trying all sorts of racketeering, fraudulent activity and set ups on me since 2001/2002 and it must be

Ken

I have recently placed a lengthy petition under 28 USC 2241 in the Beaumont District Court which exposes all this racketeering enterprise and fraudulent activity which would maliciously defame me to the Social Security Administration through racketeering, fraudulent BOP employees, lawyers, BOP unions and judges etc. Even though most lawyers (with the exception of Alexander Paderweski) may not have actually filed a fraudulent Social Security (mental) benefit claim, they were/are still covering and protecting these racketeering, fraudulent attempts and therefore still up to the same defaming, racketeering and fraudulent agenda. This has culminated in the latest pathetic, fraudulent, racketeering Social Security (mental) benefit activity by these **sick** employees here at Beaumont **medium** FCI.

If a (fraudulent) claim has never been filed in your offices it is because I have never signed any racketeering, fraudulent documents authorizing it nor will I ever sign or give authorization. If your offices ever receive an "authorization" or "application for mental benefits" I am not a part of it and will never sign any Social Security check but will tear it apart and send it back to your offices. If this defaming, racketeering, fraudulent, **Civilly confining** activity is not stopped and prosecuted very soon I will be permanently renouncing my citizenship in the United States and leaving the country.

I have informed the Warden here (Mr. Morris) and his Assistant (Mr. Gravette) and Captain about the harassment, lies, defamation, threats and racketeering coercion to make me sign defaming, racketeering and fraudulent documentation but nothing has happened to the BOP employees perpetrating this outrageous activity. I mention many of the BOP "Individuals" (18 USC 1961(4)) who are directly involved in this pathetic, defaming, racketeering and fraudulent activity in the 2241 Petition to the Beaumont District Court on page 29. A fully typed copy of this petition will be sent to the Supreme Court shortly and will list these same "Individuals" on page 28.

I have been maliciously harassed, defamed, coerced, threatened and set up by the pathetic, lying "Individuals" Mr. Greene et al, Weeks et al, Helaire et al and Daniels et al here at Beaumont and with abusive, defaming statements such as, "We will see you under the bridge Wiederhold"... "You won't sign our Social Security document"... "All you can do is cut grass Wiederhold"... "We will put you in the hole Wiederhold" (after telling the **sick** lunatics I was turning them into the court and your office). These **sick**, racketeering "Individuals" are getting desperate, very threatening and dangerous here and I need a racketeering investigator appointed as I have requested in both petitions to the Beaumont and Supreme Court.

Please send a Social Security Card form so I can fill out the document myself and send it to your office. I will give your office an address on the outside were to send the Social Security card when I fill out the form. A copy of this letter will be sent to the Beaumont District Court and Supreme Court as it is listed as an exhibit.

Thank you for you time,
Sincerely,

Kevin A. Wiederhold
